

GIFFORD LAKE GAZETTE

Late summer 1999 Newsletter

Greetings from your new president, Larry Doorn, and from your new secretary, Marge Doorn.

What can be said about this summer at Gifford Lake?

Weather - beautiful, hot(sometimes), dry, (usually) - all in all, just about right!

Lake - water level low (the lake seems a bit more fragile when the water is this low, doesn't it?); very clear and quite warm.

Fish - plenty of all species, including trout; healthy and quite large (the ones that got away, anyway!).

Cottages and houses - looking good, quality improvements in many places.

Animals - plenty of all known local species, especially deer and turkey, and the ever-present chipmunks and squirrels.

Birds - all kinds including lesser seen bluebirds, indigo buntings, red-tailed hawks, orioles, hummingbirds, red-breasted grosbeaks, loons, etc.

People - lots of them, all sizes and ages, having lots of fun!

ANNUAL MEETING REPORT: Held Saturday, July 3, 1999

Thanks to the Larry Sinke family and the Jack Stegmier family for a great picnic with plenty of good food and warm sunshine.

Treasurer Ginger Frick reported that we had enough money to keep afloat! Your annual dues of \$15 will keep the boat a little higher in the water!

Your 911 address sign should be in place so the suthorities (like FBI, IRS, DNR, etc.) can locate you to give you any help you may need or want.

Look ~~for~~ gypsy moth cocoons in tree bark, corners, under siding, etc.

Annual Meeting Report Con't.

and destroy them if possible. We have info on file, or the local MSU Extension Service has, to help you control them.

Dogs running loose have a tendency to frighten little children and some big adult too. You know best how to control them (the dogs, that is!)

The Association owns 11 nice folding tables, currently stored in Elsa Stegmiers basement. They may be used by any association member anytime. Contact me or any trustee to gain access.

Septic tanks should be pumped out every 2-3 years to keep them working well. It usually costs \$75 (+-). If 3 or 4 neighbors have it done at the same time, the cost may be reduced a little.

Picnic Committee for 2000 - John and Nancy Barrows (and somebody else - I hope they know!)

FALL 1999 TRUSTEES and OFFICERS MEETING:

Saturday, September 4, 1999 at 11:00 A.M. at the Doorn home (8987 S. Gifford Lake Dr.)

President: Larry Doorn

Secretary: Marge Doorn

Treasurer: Ginger Frick

Trustees: George Stegmier - North

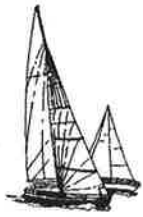

Brett Aronson - South

Terry Couturier - East

Henry Tjoelker - West

Fish Committee: Clarence Nordquist

Bob Stegmier

GIFFORD LAKE GAZETTE

SPRING 99 TRUSTEES MEETING

This is a reminder to let you know that the Trustees meeting will be held at the Cieszkowski's cottage on May 29th at 11AM. Hope to see you all there.

PRESIDENT
SECRETARY
TREASURER
TRUSTEES

MARY ANN CIESZKOWSKI
JERRY CIESZKOWSKI
GINGER FRICK
BRENT ARONSON (SOUTH)
HENRY TJOELKER (WEST)
LARRY DORN (EAST)
PETE CHARNLEY (NORTH)
BOB STEGIMIER & CLARENCE NORDQUIST
JACK STEGMIER FAMILY & LARRY SINKE FAMILY

FISH COMMITTEE
PICNIC COMMITTEE

Your secretary
Jerry Cieszkowski

Comments from your President.

A few years ago, we experienced a gypsy moth outbreak. Those of you who were here may remember the thousands of caterpillars on our trees. At that time, we had a company spray and it was a successful effort. Since you cannot completely eradicate them, you need to periodically spray in order to keep them under control. This should be a unanimous effort by all landowners on Gifford Lake.

At the picnic last year, information was made available on gypsy moths and spraying. If you were not there or did not receive this, I have extra copies you may have upon request.

Please take the time to check your property for signs of gypsy moths. If you feel there is a problem, let the trustee living closest to you know.

Hope you had a good winter and I am looking forward to seeing you in the spring and summer months ahead!

Labor Day Meeting

This is a notice to let you know that the Trustees Labor Day Weekend Meeting will be held at the Cieszkowski's Cottage on Saturday Sept 5 1998 at 11 AM. Hope to see you all there.

Your Secretary
Jerry Cieszkowski

GIFFORD LAKE GAZETTE

Spring 1999 Newsletter

Well here it is Spring, and with Winter behind us its time for more good times at good ol Gifford Lake. I hope you all had a nice Winter.

Fall 98 Trustees Meeting

Old business

1. The Gypsy Moths are back and in order to keep them under control it will be necessary to spray once again. *See Presidents comments at end of Newsletter.*
2. The issue of beer at the picnic was discussed and another vote will be taken. A post card has been included with this letter and on the back is a place to vote either yes or no. Please return cards as soon as possible.
3. Outstanding dues... Please mail your \$15.00 to Ginger Frick, RR #1, Baldwin Mi 49304.
4. Any changes to the Lake Directory please contact Jerry Cieszkowski before the picnic.

New business

1. Anyone wishing to place a want ad in the next Gazette let me know by phone or by mail.
2. We also now have a slogan for the newsletter **DON'T CATCH YOUR LIMIT, LIMIT YOUR CATCH.** This will insure good fishing for years to come.
3. Just a reminder there is **NO BATHING IN THE LAKE.**
4. Use no fertilizer around the lake.
5. The fish fund could use some donations to help in the stocking of fish. Our resources are limited.
6. Reminder to ALL--State fishing Rules and Regulations do apply to Gifford Lake.

Your Secretary
Jerry Cieszkowski
