

# GIFFORD LAKE GAZETTE

June 6th Newsletter 1994

*Summer is here, our beach is back and the Gypsy Moth 1st spraying has happened.*

*At our last Trustees meeting, held Memorial Day Weekend, we discussed the following:*

*FISH - Approximately 500 perch were planted last October.*

*GYPSY MOTH - Spraying date was discussed. It would be when leaves are out and moths are eating. The first spraying took place on Sunday morning, June 5th. Approximately 75% of the property owners had requested that their properties be sprayed and had sent in their money to Northaire. Thanks to all for the great response.*

*TREASURY - After spending \$526 on the perch, we have a grand total of \$511.50 in our till. We need those who have not paid their 93-94 dues to send it in to Ginger and 94-95 dues can be sent in now or be paid at the annual picnic.*

*PICNIC - The Annual Picnic will be held on the George Stegmier beach this year. It will be held on Saturday, July 2nd at 2:00 p.m. SUNDAY IS THE RAIN DATE-SAME TIME-SAME PLACE!! Please bring a dish to pass, table service and lawn chairs. Meat, pop and beer will be provided. Your guests are always welcome--just bring more food!!!! Our picnic committee this year is:*

*Bryan & Marge Kibbey  
Dave & Terry Couturier*

Have a fun and safe summer. We hope to see all of you at the picnic on July 2nd

---Diane Lents
