June 1997 Newsletter

It is hard to believe that another year has passed and that spring has finally reached us, I hope you all have a safe, wonderful summer here at Gifford Lake or where ever your travels take you.

The Trustees Meeting was held on May 31, 1997 at the Couturier's. Highlights of the meeting were;

- 1) Gypsy Moths - No problem at this time
- 2) Septic Tanks - Pump tanks every 2-4 years.
- 3) Barking Dogs - STILL A PROBLEM
- 4) Brush piles in lake - Maintain current ones, add no new ones.
- 5) Fish - Approximately 265 trout were planted in mid May, along with flat head minnows.

Our picnic committee this year is Frank & Gerry Woronko and Jim Marton and family. Remember to give them all a big Thank You for all their hard work.

The ANNUAL PICNIC will be held on July 5, 1997 at 2:00 PM at Frank and Gerry Woronko's. Rain day is July 6, 1997, Sunday, same time and place. Please bring a passing dish for your family and guests, along with table service and chairs.

FALL 1997 NEWSLETTER

Well here it is another summer come and gone, and fall is almost gone as well. Sorry about the delay in getting out the Newsletter.

The Annual Picnic in July was held at Woronko/Przybysz/Welscott beaches, and we had a good turnout. Once again the food was great and the chicken was prepared by Star Lake Inn. The picnic committee (Jim Marton and family and Frank and Gerry Woronko) did a fine job. Next year the Martons will be joined by Jim and Mary Hefferan on the picnic committee as the Woronko's leave. Thanks for the good work.

We have new officers this year as Dave Coultier and his wife's term has ended. The new President is Mary Ann Cieszkowski and the Secretary is her husband Jerry. The new Trustees are Pete Charnley/Brian Cast and Larry Doorn as Jack Lents and Jack Stegmier leave.
